of the Four States

Keeping families close®

THREADS OF GOLD

Threads of Gold, our theme for the 17th annual Gift of Light, Gift of Love fundraising event, reminds us to pause and recognize how the tapestry of giving is woven together by the golden threads of families, donors, volunteers, staff and the medical community. It is because of you that the Ronald McDonald House (at 3402 South Jackson in Joplin) has been a success for 20 years now. The recently opened Ronald McDonald Family Room (at Mercy Hospital Joplin) builds on that success, offering a place of respite for families.

All monies needed to operate these programs are derived through individual and/or corporate donations. Ronald McDonald House Charities of the Four States is a 501(c)3 organization. Donations are tax-deductible.
