

Ronald McDonald House of the Four States Volunteer Information & Application

Thank you for your interest! Here's how to get started...
In order to achieve the mission and serve House families well, we rely heavily on Volunteers to be dependable AND consistent. Our goal is to match House needs with your interests so that the volunteer experience is a rewarding and fulfilling one.

RMH serves as a "home away from home" for families with a seriously ill child being treated at nearby hospitals!

1. A volunteer application is available by stopping at our House from 9 am-5 pm,

download one from our website at www.rmhjoplin.org or receive one by e-mail.

Once your application is accepted, an interview will be scheduled to assess interests, House needs and shift availability. References will be

contacted and a background check completed. Inquiries into criminal backgrounds are necessary and are being posed solely because of the potential for ensuing interactions with Ronald McDonald House children and families.

2. Initial orientation provides a history of both our corporate and local Ronald McDonald House along with a tour, orientation usually takes about 2 hours. Training may take place on a shift other than the assigned shift. Formal training will occur over several weeks. However, we believe training and learning to be continuous.

Volunteers are the HEART of our House!

Thank you for your interest in becoming a Heart of our House!
All ages are encouraged to volunteer as we have room for the young and the young at heart!
